

JONATHAN CARPENTER

VICE PRESIDENT, NEW ENERGY SERVICES

Jonathan joined Petrofac's Strategy team in 2011, became Group Head of Strategy in 2017, and as part of that role, developed Petrofac's Energy Transition Strategy. Today, as Vice President, New Energy Services, Jonathan helps lead Petrofac's offering to the renewables and low carbon sectors with a focus on providing engineering, project delivery and operations & maintenance services to the offshore wind, CCUS, hydrogen, waste-to-value and emissions reduction sectors.

Prior to Petrofac, Jonathan was a Strategy Consultant with Booz & Company, supporting energy clients across Europe, the Middle East and the USA.

Jonathan holds a Masters in Engineering from the University of Cambridge and an MBA from Columbia Business School
