

Part I “Global CCS Update”

“Knutsen NYK Carbon Carriers - A LCO2 shipping provider with a wholistic CCS value chain approach”

Anders Lepsøe

CEO

Knutsen NYK Carbon Carriers AS

Anders Lepsøe has a broad international business background with extensive experience from the oil & gas-, financing-, and shipping industries. After graduation he joined Equinor (www.equinor.com) and during his time with the company he had several roles both within E&P and Corporate Finance.

He thereafter went on to DnB Shipping and worked as a shipping banker based in Bergen, Oslo and Singapore serving both shipping and offshore clients.

Following his 10 years tenor with DnB, he joined Westfal Larsen, a Bergen based international shipping group (www.wlco.no) as Group CFO. He later took on the role as Group CEO.

He is now CEO of Knutsen NYK Carbon Carriers based in Haugesund, Norway.
